Scout Parents and Leaders against discrimination

Faculty Advisor - Gay Straight Alliance

Dear Sir or Madam:

As you may know the Boy Scouts of America will vote in May about changing their membership policy. Many of us in scouts believe that the policy should be changed and that GLBT youth and adults should be welcomed into the program.

We believe that letters from those most affected by the policy - the scouts and their peers, can make a difference in the outcome of the vote.

We would like to ask the GSA at your school to help us generate letters. However, you are the best qualified person to determine if this is appropriate, prudent, and safe. We need to rely on your knowledge of your school. The safety and well-being of the students is our paramount concern. If you have any reservations please do not forward the attached letter.

Thank you for all you do for your students.

You may receive this both by e-mail and regular mail, I apologize for any inconvenience. If you get this by regular mail, please send an e-mail to the address below and I will send you an electronic copy. If you have any questions please do not hesitate to contact me.

Best Regards,

Wendell Baker
